SUBJECT: NEW NYLON - BACKED BARRIER MATERIAL

On a recent visit to Frankford Arsenal, 25X1
saw a , president of Wyndmoor Mfg. Corporation, 25X1
306 Lyons Avenue, Newark 8, N. J., WAG-1172. wa 25X1
informed of the MD material, read the spec and told Pete
that his company could develop a new barrier material with
more flexibility, better low temperature characteristics, and with
a better heat seal at a 25-30% reduction in price over
the current \$4.50/lb. Pete
